**Burlington, ON, June 12, 2008 – Questica Inc. Enters into a Partnership Agreement with Bellamy Software to Market our TeamBudget Capital and TeamBudget Operating Budgeting Solutions**

**Questica Inc. and Bellamy Software**, a division of **Sylogist Ltd.** (TSX-V:SYZ), today announce that they have entered into a long term agreement that will provide municipalities and school boards with a leading web-based solution to manage their operating and capital forecasting and budgeting planning process.

As part of the agreement, Bellamy Software will become the exclusive marketer of Questica's TeamBudget Capital and TeamBudget Operating budgeting solutions to all Municipal and School Board customers currently using the Bellamy Financial suite. As well, Bellamy Software will gain exclusive marketing rights to provide Questica's TeamBudget solutions to school boards in Ontario and Western Canada. Further to the agreement, Bellamy Software will provide sales and marketing, consulting, implementation services and customer support.

"Questica is very pleased to be working with Bellamy Software. Bellamy Software understands their customers' needs and specializes in providing excellent customer support," said TJ Parass, President of Questica. "This shared philosophy between both companies was the reason for our decision to partner with Bellamy Software".

"Our agreement with Questica allows Bellamy to not only provide additional value to our existing customers, but also allows us to extend our reach to other markets in Canada and to leverage our knowledge of municipal and school financial processes" said Jim Wilson, President and CEO, Sylogist.

**About Bellamy Software and Sylogist Ltd.**

Bellamy Software, a division of Sylogist, provides a comprehensive suite of software applications that allow municipalities and school districts to manage their financial, human resources and operational requirements. Sylogist provides leading enterprise information management and collaboration software applications to municipal, education and private sector customers. We provide an integrated suite of business applications to municipalities that serve their needs for revenue, finance and operations management capabilities. Our education applications provide financial, student information and collaborative web-based systems for the K-12 market. Our industry leading collaborative web solutions enhance teacher, parent and student on-line collaboration driving improved student achievement.

The Company's stock is traded on the TSX Venture Exchange under the symbol SYZ. Information about Sylogist can be found at [www.sylogist.com](http://www.sylogist.com).

**About Questica Inc.**

Questica, established in 1998, is a software company specializing in budgeting solutions for the public sector. As a Microsoft Gold Partner, Questica utilizes leading technologies such as SQL Server and the Microsoft .NET Framework to provide complete web-based business solutions.

**About TeamBudget**

TeamBudget Capital and TeamBudget Operating are secure web-based solutions structured on a proven budgeting model. Working in conjunction with government and corporate organizations, TeamBudget Capital and TeamBudget Operating were designed to be fully featured products, solving the cumbersome and difficult processes of assembling, tracking, analyzing and reporting of complex municipal budgets.

Further information on our TeamBudget solutions can be obtained at [www.teambudget.com](http://www.teambudget.com).
